Response summary:	--- OBJECT --- My Grounds are that this is outrageous to be offering such small plots of land, let alone building more houses in an area that can't withstand it. We are appalled that you continue to disregard our concerns and fail to make changes to the size of proposed developments. We don't need any more traffic in this area and there is no where to build any more roads. There is two ways out of Upper Coomera and at peak hour times traffic is horrendous. please stop building in an area that can't handle anymore new residents.
