Response summary:	--- OBJECT --- My Grounds are Good evening, My name is Emma and I will be seeing councillor Donna Gates on the 9th of December. This was one of the major issues brought up by the youth + local residents when we first established the Coomera Youth advisory council. We decided to start a new petition and send it out to all platforms and after a few months we were able to collect 700 signatures. I do understand it is a non-conforming petition, but it can still be addressed in chamber due to exceeding the quantity of 10 signatures and we would love for it to be seen. I've reached out to as many youth groups and schools as possible to understand perspectives and what they would like to see for the area. Most residents are against the development near tian crescent and this one near baileys mountain road. They said it was due to the fact that they are less than 500m from each other, adjacent to 2 ongoing developments and propose collectively almost 400 new homes. Although that might seem like a positive, a common concern was repeated – what about our roads? Public transport? And why decimate the land, how can we regulate it better to include the landscape; our ghost gums and eucalyptus? We are not against completely excluding the development but rather have our community voice included in the design and follow through of these developments and to have local government work with us. Our community has seen a lot of wildlife displacement, new habitat locations of koalas in areas that weren't originally considered a koala zones, increased pollution and traffic, as well as watching beautiful landscapes become barren and littered with retaining walls. There are so many ways to ensure we include our native ghost gums, to actually planting native flora and trees. In summary, we do not want to be pushed aside and hope to have more shared conversations going forward. Attached is the excel spreadsheet of the 700 names, emails and addresses of those who signed. Thank you! Surname: Boyd Given Names: Emma Address Line 1: 10 Balonne Court Suburb: Upper Coomera State Code: QLD Postcode: 4209 Email Address: erboyd2516@gmail.com
