

Submission to Development application:

Application number:	OTH/2025/18
Application type:	Other Change
Location:	Lot 23 RP41194, Lot 1 RP85529

Submission date:	12/06/2026
Response type:	Submission - Objection
Response summary:	--- OBJECT --- My Grounds are the the proposed height including the number of storeys, is not compliant with the applicable controls already in place in the area. Generally concerned that if approved this would create a precedent inconsistent with established planning principles. Car parks on the street are already limited, seven apartments would further restrict parking availability. I found the picture advertised on the proposed development completely misleading.
