Grounds	I am writing on behalf of the residents living in Verdure Place and Moondance, Bonogin whose properties back onto this new proposed development. We would like to see a 'green belt' left along the fenceline between existing residences and the proposed development, from Bonogin Road down to the Bonogin Creek. This would be in keeping with the rural feel of the area and privacy for all concerned. There is a lot of wildlife living in this area at the moment and even if a small width of greenery was left at the back of the proposed properties, this would enable this wildlife to move up and down from the creek without any harm to them.
