Significant penalties apply to breaches of these obligations. Normally, completion, lodgement and payment by a person will be enough to comply with these obligations.

2. If the work is being done for a local government, government entity or non-Queensland Government entity, the local government or entity is liable.
3. If an application is made to an assessment manager in relation to work for a development permit for building work, plumbing or drainage work or operational work, the applicant is liable.
4. In all other cases, the person for whom the work is to be done is liable for payment.

When to Notify and Pay

QLeave must be notified and the applicable Levies and Fee must be paid:

1. Prior to the issue of a development permit or
