

# DA Form 1 – Development application details

**Approved form (version 1.0 effective 3 July 2017) made under section 282 of the Planning Act 2016.**

This form **must** be used to make a development application **involving code assessment or impact assessment**, except when applying for development involving building work.

For a development application involving **building work only**, use *DA Form 2 – Building work details*.

For a development application involving **building work associated with any other type of assessable development**, use this form (*DA Form 1*) **and** parts 4 to 6 of *DA Form 2 – Building work details*.

Unless stated otherwise, all parts of this form **must** be completed in full and all required supporting information **must** accompany the development application.

One or more additional pages may be attached as a schedule to this development application if there is insufficient space on the form to include all the necessary information.

This form and any other form relevant to the development application must be used to make a development application relating to strategic port land and Brisbane core port land under the *Transport Infrastructure Act 1994*, and airport land under the *Airport Assets (Restructuring and Disposal) Act 2008*. For the purpose of assessing a development application relating to strategic port land and Brisbane core port land, any reference to a planning scheme is taken to mean a land use plan for the strategic port land, Brisbane port land use plan for Brisbane core port land, or a land use plan for airport land.

**Note:** All terms used in this form have the meaning given under the *Planning Act 2016*, the *Planning Regulation 2017*, or the *Development Assessment Rules (DA Rules)*.

## PART 1 – APPLICANT DETAILS

| 1) Applicant details                                       |                                                                        |
|------------------------------------------------------------|------------------------------------------------------------------------|
| Applicant name(s) <i>(individual or company full name)</i> | Spaceframe Buildings Pty Ltd                                           |
| Contact name <i>(only applicable for companies)</i>        | David Elms                                                             |
| Postal address <i>(P.O. Box or street address)</i>         | PO Box 452                                                             |
| Suburb                                                     | Morningside                                                            |
| State                                                      | QLD                                                                    |
| Postcode                                                   | 4170                                                                   |
| Country                                                    | Australia                                                              |
| Contact number                                             | 07 3890 9500                                                           |
| Email address <i>(non-mandatory)</i>                       | <a href="mailto:Approvals@spaceframe.com">Approvals@spaceframe.com</a> |
| Mobile number <i>(non-mandatory)</i>                       |                                                                        |
| Fax number <i>(non-mandatory)</i>                          |                                                                        |
| Applicant's reference number(s) <i>(if applicable)</i>     | 11177                                                                  |

| 2) Owner's consent                                                                                                                                                       |  |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--|
| 2.1) Is written consent of the owner required for this development application?                                                                                          |  |
| <input type="checkbox"/> Yes – the written consent of the owner(s) is attached to this development application<br><input checked="" type="checkbox"/> No – proceed to 3) |  |

## PART 2 – LOCATION DETAILS

## 3) Location of the premises (complete 3.1) or 3.2), and 3.3) as applicable)

**Note:** Provide details below and attach a site plan for any or all premises part of the development application. For further information, see [DA Forms Guide: Relevant plans](#).

## 3.1) Street address and lot on plan

☒ Street address **AND** lot on plan (all lots must be listed), **or**

☐ Street address **AND** lot on plan for an adjoining or adjacent property of the premises (appropriate for development in water but adjoining or adjacent to land e.g. jetty, pontoon; all lots must be listed).

|    |          |            |                                    |                          |
|----|----------|------------|------------------------------------|--------------------------|
| a) | Unit No. | Street No. | Street Name and Type               | Suburb                   |
|    |          | 84-160     | Christensen Road                   | South Stapylton          |
|    | Postcode | Lot No.    | Plan Type and Number (e.g. RP, SP) | Local Government Area(s) |
|    | 4207     | 334        | SP193431                           | Gold Coast City Council  |
| b) | Unit No. | Street No. | Street Name and Type               | Suburb                   |
|    |          |            |                                    |                          |
|    | Postcode | Lot No.    | Plan Type and Number (e.g. RP, SP) | Local Government Area(s) |
|    |          |            |                                    |                          |

## 3.2) Coordinates of premises (appropriate for development in remote areas, over part of a lot or in water not adjoining or adjacent to land e.g. channel dredging in Moreton Bay)

**Note:** Place each set of coordinates in a separate row. Only one set of coordinates is required for this part.

☐ Coordinates of premises by longitude and latitude

|              |             |                                                                                                     |                                          |
|--------------|-------------|-----------------------------------------------------------------------------------------------------|------------------------------------------|
| Longitude(s) | Latitude(s) | Datum                                                                                               | Local Government Area(s) (if applicable) |
|              |             | <input type="checkbox"/> WGS84<br><input type="checkbox"/> GDA94<br><input type="checkbox"/> Other: |                                          |

☐ Coordinates of premises by easting and northing

|            |             |                                                                                           |                                                                                                     |                                          |
|------------|-------------|-------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------|------------------------------------------|
| Easting(s) | Northing(s) | Zone Ref.                                                                                 | Datum                                                                                               | Local Government Area(s) (if applicable) |
|            |             | <input type="checkbox"/> 54<br><input type="checkbox"/> 55<br><input type="checkbox"/> 56 | <input type="checkbox"/> WGS84<br><input type="checkbox"/> GDA94<br><input type="checkbox"/> Other: |                                          |

## 3.3) Additional premises

☐ Additional premises are relevant to this development application and their details have been attached in a schedule to this application

☒ Not required

## 4) Identify any of the following that apply to the premises and provide any relevant details

☐ In or adjacent to a water body or watercourse or in or above an aquifer

Name of water body, watercourse or aquifer:

☐ On strategic port land under the *Transport Infrastructure Act 1994*

Lot on plan description of strategic port land:

Name of port authority for the lot:

☐ In a tidal area

Name of local government for the tidal area (if applicable):

Name of port authority for tidal area (if applicable):

☐ On airport land under the *Airport Assets (Restructuring and Disposal) Act 2008*

Name of airport:

☐ Listed on the Environmental Management Register (EMR) under the *Environmental Protection Act 1994*

EMR site identification:

|                                                                                                                            |  |
|----------------------------------------------------------------------------------------------------------------------------|--|
| <input type="checkbox"/> Listed on the Contaminated Land Register (CLR) under the <i>Environmental Protection Act 1994</i> |  |
| CLR site identification:                                                                                                   |  |

**5) Are there any existing easements over the premises?**

*Note: Easement uses vary throughout Queensland and are to be identified correctly and accurately. For further information on easements and how they may affect the proposed development, see [DA Forms Guide](#).*

- ☐ Yes – All easement locations, types and dimensions are included in plans submitted with this development application
- ☒ No

**PART 3 – DEVELOPMENT DETAILS****Section 1 – Aspects of development****6.1) Provide details about the first development aspect**a) What is the type of development? *(tick only one box)*

- ☐ Material change of use      ☐ Reconfiguring a lot      ☒ Operational work      ☐ Building work

b) What is the approval type? *(tick only one box)*

- ☒ Development permit      ☐ Preliminary approval      ☐ Preliminary approval that includes a variation approval

c) What is the level of assessment?

- ☒ Code assessment      ☐ Impact assessment *(requires public notification)*

d) Provide a brief description of the proposal *(e.g. 6 unit apartment building defined as multi-unit dwelling, reconfiguration of 1 lot into 3 lots):*

Warehouse and Office

e) Relevant plans

**Note:** Relevant plans are required to be submitted for all aspects of this development application. For further information, see [DA Forms guide: Relevant plans](#).

- ☒ Relevant plans of the proposed development are attached to the development application

**6.2) Provide details about the second development aspect**a) What is the type of development? *(tick only one box)*

- ☐ Material change of use      ☐ Reconfiguring a lot      ☐ Operational work      ☐ Building work

b) What is the approval type? *(tick only one box)*

- ☐ Development permit      ☐ Preliminary approval      ☐ Preliminary approval that includes a variation approval

c) What is the level of assessment?

- ☐ Code assessment      ☐ Impact assessment *(requires public notification)*

d) Provide a brief description of the proposal *(e.g. 6 unit apartment building defined as multi-unit dwelling, reconfiguration of 1 lot into 3 lots)*

e) Relevant plans

**Note:** Relevant plans are required to be submitted for all aspects of this development application. For further information, see [DA Forms Guide: Relevant plans](#).

- ☐ Relevant plans of the proposed development are attached to the development application

**6.3) Additional aspects of development**

- ☐ Additional aspects of development are relevant to this development application and the details for these aspects that would be required under Part 3 Section 1 of this form have been attached to this development application
- ☒ Not required

## Section 2 – Further development details

## 7) Does the proposed development application involve any of the following?

|                        |                                                                                                      |
|------------------------|------------------------------------------------------------------------------------------------------|
| Material change of use | <input type="checkbox"/> Yes – complete division 1 if assessable against a local planning instrument |
| Reconfiguring a lot    | <input type="checkbox"/> Yes – complete division 2                                                   |
| Operational work       | <input checked="" type="checkbox"/> Yes – complete division 3                                        |
| Building work          | <input type="checkbox"/> Yes – complete DA Form 2 – Building work details                            |

## Division 1 – Material change of use

**Note:** This division is only required to be completed if any part of the development application involves a material change of use assessable against a local planning instrument.

## 8.1) Describe the proposed material change of use

| Provide a general description of the proposed use | Provide the planning scheme definition (include each definition in a new row) | Number of dwelling units (if applicable) | Gross floor area (m <sup>2</sup> ) (if applicable) |
|---------------------------------------------------|-------------------------------------------------------------------------------|------------------------------------------|----------------------------------------------------|
|                                                   |                                                                               |                                          |                                                    |
|                                                   |                                                                               |                                          |                                                    |
|                                                   |                                                                               |                                          |                                                    |

## 8.2) Does the proposed use involve the use of existing buildings on the premises?

|                              |  |  |
|------------------------------|--|--|
| <input type="checkbox"/> Yes |  |  |
| <input type="checkbox"/> No  |  |  |

## Division 2 – Reconfiguring a lot

**Note:** This division is only required to be completed if any part of the development application involves reconfiguring a lot.

## 9.1) What is the total number of existing lots making up the premises?

|  |
|--|
|  |
|--|

## 9.2) What is the nature of the lot reconfiguration? (tick all applicable boxes)

|                                                              |                                                                                                                          |
|--------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------|
| <input type="checkbox"/> Subdivision (complete 10))          | <input type="checkbox"/> Dividing land into parts by agreement (complete 11))                                            |
| <input type="checkbox"/> Boundary realignment (complete 12)) | <input type="checkbox"/> Creating or changing an easement giving access to a lot from a construction road (complete 13)) |

## 10) Subdivision

## 10.1) For this development, how many lots are being created and what is the intended use of those lots:

| Intended use of lots created | Residential | Commercial | Industrial | Other, please specify: |
|------------------------------|-------------|------------|------------|------------------------|
|                              |             |            |            |                        |
| Number of lots created       |             |            |            |                        |

## 10.2) Will the subdivision be staged?

|                                                                 |  |
|-----------------------------------------------------------------|--|
| <input type="checkbox"/> Yes – provide additional details below |  |
| <input type="checkbox"/> No                                     |  |
| How many stages will the works include?                         |  |
| What stage(s) will this development application apply to?       |  |

## 11) Dividing land into parts by agreement – how many parts are being created and what is the intended use of the parts?

| Intended use of parts created | Residential | Commercial | Industrial | Other, please specify: |
|-------------------------------|-------------|------------|------------|------------------------|
|                               |             |            |            |                        |
| Number of parts created       |             |            |            |                        |

**12) Boundary realignment****12.1) What are the current and proposed areas for each lot comprising the premises?**

| Current lot             |                        | Proposed lot            |                        |
|-------------------------|------------------------|-------------------------|------------------------|
| Lot on plan description | Area (m <sup>2</sup> ) | Lot on plan description | Area (m <sup>2</sup> ) |
|                         |                        |                         |                        |
|                         |                        |                         |                        |

**12.2) What is the reason for the boundary realignment?**

|  |
|--|
|  |
|--|

**13) What are the dimensions and nature of any existing easements being changed and/or any proposed easement?***(attach schedule if there are more than two easements)*

| Existing or proposed? | Width (m) | Length (m) | Purpose of the easement? (e.g. pedestrian access) | Identify the land/lot(s) benefitted by the easement |
|-----------------------|-----------|------------|---------------------------------------------------|-----------------------------------------------------|

| <input type="checkbox"/> Other – please specify: <table border="1" style="display: inline-table; width: 400px; height: 20px;"></table> |                                     |                                                |

**14.2) Is the operational work necessary to facilitate the creation of new lots? (e.g. subdivision)**☐ Yes – specify number of new lots:☒ No**14.3) What is the monetary value of the proposed operational work? (include GST, materials and labour)**

\$33,000

**PART 4 – ASSESSMENT MANAGER DETAILS****15) Identify the assessment manager(s) who will be assessing this development application**

|  |
|--|
|  |
|--|

**16) Has the local government agreed to apply a superseded planning scheme for this development application?**

- ☐ Yes – a copy of the decision notice is attached to this development application
- ☐ Local government is taken to have agreed to the superseded planning scheme request – relevant documents attached
- ☒ No

**PART 5 – REFERRAL DETAILS****17) Do any aspects of the proposed development require referral for any referral requirements?***Note: A development application will require referral if prescribed by the Planning Regulation 2017.*☒ No, there are no referral requirements relevant to any development aspects identified in this development application – proceed to Part 6Matters requiring referral to the **chief executive of the Planning Regulation 2017:**

- ☐ Clearing native vegetation
- ☐ Contaminated land (*unexploded ordnance*)

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |

| <b>Matters requiring referral to the Queensland Fire and Emergency Service:</b><br><input type="checkbox"/> Tidal works, or development in a coastal management district                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |

**18) Has any referral agency provided a referral response for this development application?**

- ☐ Yes – referral response(s) received and listed below are attached to this development application
- ☒ No

| Referral requirement | Referral agency | Date of referral response |
|----------------------|-----------------|---------------------------|
|                      |                 |                           |
|                      |                 |                           |

Identify and describe any changes made to the proposed development application that was the subject of the referral response and the development application the subject of this form, or include details in a schedule to this development application (if applicable).

**PART 6 – INFORMATION REQUEST****19) Information request under Part 3 of the DA Rules**

- ☒ I agree to receive an information request if determined necessary for this development application
- ☐ I do not agree to accept an information request for this development application

**Note:** By not agreeing to accept an information request I, the applicant, acknowledge:

- that this development application will be assessed and decided based on the information provided when making this development application and the assessment manager and any referral agencies relevant to the development application are not obligated under the DA Rules to accept any additional information provided by the applicant for the development application unless agreed to by the relevant parties
- Part 3 of the DA Rules will still apply if the application is an application listed under section 11.3 of the DA Rules.

Further advice about information requests is contained in the [DA Forms Guide](#).

**PART 7 – FURTHER DETAILS****20) Are there any associated development applications or current approvals? (e.g. a preliminary approval)**

- ☒ Yes – provide details below or include details in a schedule to this development application
- ☐ No

| List of approval/development application references                                              | Reference number | Date                          | Assessment manager |
|--------------------------------------------------------------------------------------------------|------------------|-------------------------------|--------------------|
| <input checked="" type="checkbox"/> Approval<br><input type="checkbox"/> Development application | MCU201701572     | 1 <sup>st</sup> February 2018 | GCCC               |
| <input type="checkbox"/> Approval<br><input type="checkbox"/> Development application            |                  |                               |                    |

**21) Has the portable long service leave levy been paid? (only applicable to development applications involving building work or operational work)**

- ☒ Yes – the yellow local government/private certifier's copy of the receipted QLeave form is attached to this development application
- ☐ No – I, the applicant will provide evidence that the portable long service leave levy has been paid before the assessment manager decides the development application. I acknowledge that the assessment manager may give a development approval only if I provide evidence that the portable long service leave levy has been paid
- ☐ Not applicable

| Amount paid | Date paid (dd/mm/yy) | QLeave levy number (A, B or E) |
|-------------|----------------------|--------------------------------|
| \$13,618.00 | 15/03/2018           | S155387                        |

**22) Is this development application in response to a show cause notice or required as a result of an enforcement notice?**

- ☐ Yes – show cause or enforcement notice is attached
- ☒ No

**23) Further legislative requirements****Environmentally relevant activities**

23.1) Is this development application also taken to be an application for an environmental authority for an **Environmentally Relevant Activity (ERA)** under section 115 of the *Environmental Protection Act 1994*?

☐ Yes – the required attachment (form EM941) for an application for an environmental authority accompanies this development application, and details are provided in the table below

☒ No

**Note:** Application for an environmental authority can be found by searching “EM941” at [www.qld.gov.au](http://www.qld.gov.au). An ERA requires an environmental authority to operate. See [www.business.qld.gov.au](http://www.business.qld.gov.au) for further information.

|                      |  |                         |  |
|----------------------|--|-------------------------|--|
| Proposed ERA number: |  | Proposed ERA threshold: |  |
|----------------------|--|-------------------------|--|

|                    |  |
|--------------------|--|
| Proposed ERA name: |  |
|--------------------|--|

☐ Multiple ERAs are applicable to this development application and the details have been attached in a schedule to this development application.

**Hazardous chemical facilities**

23.2) Is this development application for a **hazardous chemical facility**?

☐ Yes – Form 69: Notification of a facility exceeding 10% of schedule 15 threshold is attached to this development application

☒ No

**Note:** See [www.justice.qld.gov.au](http://www.justice.qld.gov.au) for further information.

**Clearing native vegetation**

23.3) Does this development application involve **clearing native vegetation** that requires written confirmation the chief executive of the *Vegetation Management Act 1999* is satisfied the clearing is for a relevant purpose under section 22A of the *Vegetation Management Act 1999*?

☐ Yes – this development application is accompanied by written confirmation from the chief executive of the *Vegetation Management Act 1999* (s22A determination)

☒ No

**Note:** See [www.qld.gov.au](http://www.qld.gov.au) for further information.

**Environmental offsets**

23.4) Is this development application taken to be a prescribed activity that may have a significant residual impact on a **prescribed environmental matter** under the *Environmental Offsets Act 2014*?

☐ Yes – I acknowledge that an environmental offset must be provided for any prescribed activity assessed as having a significant residual impact on a prescribed environmental matter

☒ No

**Note:** The environmental offset section of the Queensland Government's website can be accessed at [www.qld.gov.au](http://www.qld.gov.au) for further information on environmental offsets.

**Koala conservation**

23.5) Does this development application involve a material change of use, reconfiguring a lot or operational work within an assessable development area under Schedule 10, Part 10 of the Planning Regulation 2017?

☐ Yes

☒ No

**Note:** See guidance materials at [www.ehp.qld.gov.au](http://www.ehp.qld.gov.au) for further information.

**Water resources**

23.6) Does this development application involve **taking or interfering with artesian or sub artesian water, taking or interfering with water in a watercourse, lake or spring, taking overland flow water or waterway barrier works**?

☐ Yes – the relevant template is completed and attached to this development application

☒ No

**Note:** DA templates are available from [www.dilqp.qld.gov.au](http://www.dilqp.qld.gov.au).

23.7) Does this application involve **taking or interfering with artesian or sub artesian water, taking or interfering with water in a watercourse, lake or spring, or taking overland flow water** under the *Water Act 2000*?

☐ Yes – I acknowledge that a relevant water authorisation under the *Water Act 2000* may be required prior to commencing development

☒ No

**Note:** Contact the Department of Natural Resources and Mines at [www.dnrm.qld.gov.au](http://www.dnrm.qld.gov.au) for further information.

### **Marine activities**

23.8) Does this development application involve **aquaculture, works within a declared fish habitat area or removal, disturbance or destruction of marine plants?**

☐ Yes – an associated resource allocation authority is attached to this development application, if required under the *Fisheries Act 1994*

☒ No

**Note:** See guidance materials at [www.daf.qld.gov.au](http://www.daf.qld.gov.au) for further information.

### **Quarry materials from a watercourse or lake**

23.9) Does this development application involve the **removal of quarry materials from a watercourse or lake** under the *Water Act 2000*?

☐ Yes – I acknowledge that a quarry material allocation notice must be obtained prior to commencing development

☒ No

**Note:** Contact the Department of Natural Resources and Mines at [www.dnrm.qld.gov.au](http://www.dnrm.qld.gov.au) for further information.

### **Quarry materials from land under tidal waters**

23.10) Does this development application involve the **removal of quarry materials from land under tidal water** under the *Coastal Protection and Management Act 1995*?

☐ Yes – I acknowledge that a quarry material allocation notice must be obtained prior to commencing development

☒ No

**Note:** Contact the Department of Environment and Heritage Protection at [www.ehp.qld.gov.au](http://www.ehp.qld.gov.au) for further information.

### **Referable dams**

23.11) Does this development application involve a **referable dam** required to be failure impact assessed under section 343 of the *Water Supply (Safety and Reliability) Act 2008* (the *Water Supply Act*)?

☐ Yes – the 'Notice Accepting a Failure Impact Assessment' from the chief executive administering the *Water Supply Act* is attached to this development application

☒ No

**Note:** See guidance materials at [www.dews.qld.gov.au](http://www.dews.qld.gov.au) for further information.

### **Tidal work or development within a coastal management district**

23.12) Does this development application involve **tidal work or development in a coastal management district**?

☐ Yes – the following is included with this development application:

☐ Evidence the proposal meets the code for assessable development that is prescribed tidal work (*only required if application involves prescribed tidal work*)

☐ A certificate of title

☒ No

**Note:** See guidance materials at [www.ehp.qld.gov.au](http://www.ehp.qld.gov.au) for further information.

### **Queensland and local heritage places**

23.13) Does this development application propose development on or adjoining a place entered in the **Queensland heritage register** or on a place entered in a local government's **Local Heritage Register**?

☐ Yes – details of the heritage place are provided in the table below

☒ No

**Note:** See guidance materials at [www.ehp.qld.gov.au](http://www.ehp.qld.gov.au) for information requirements regarding development of Queensland heritage places.

|                             |  |           |  |
|-----------------------------|--|-----------|--|
| Name of the heritage place: |  | Place ID: |  |
|-----------------------------|--|-----------|--|

### **Brothels**

23.14) Does this development application involve a **material change of use for a brothel**?

☐ Yes – this development application demonstrates how the proposal meets the code for a development application for a brothel under Schedule 3 of the *Prostitution Regulation 2014*

☒ No**Decision under section 62 of the *Transport Infrastructure Act 1994*****23.15) Does this development application involve new or changed access to a state-controlled road?**☐ Yes - this application will be taken to be an application for a decision under section 62 of the *Transport Infrastructure Act 1994* (subject to the conditions in section 75 of the *Transport Infrastructure Act 1994* being satisfied)☒ No**PART 8 – CHECKLIST AND APPLICANT DECLARATION****24) Development application checklist**

I have identified the assessment manager in question 15 and all relevant referral requirement(s) in question 17

☐ Yes**Note:** See the *Planning Regulation 2017* for referral requirementsIf building work is associated with the proposed development, Parts 4 to 6 of *Form 2 – Building work details* have been completed and attached to this development application☐ Yes☒ Not applicable

Supporting information addressing any applicable assessment benchmarks is with development application

**Note:** This is a mandatory requirement and includes any relevant templates under question 23, a planning report and any technical reports required by the relevant categorising instruments (e.g. local government planning schemes, State Planning Policy, State Development Assessment Provisions). For further information, see [DA Forms Guide: Planning Report Template](#).☐ Yes

Relevant plans of the development are attached to this development application

**Note:** Relevant plans are required to be submitted for all aspects of this development application. For further information, see [DA Forms Guide: Relevant plans](#).☒ Yes

The portable long service leave levy for QLeave has been paid, or will be paid before a development permit is issued (see 21))

☒ Yes☐ Not applicable**25) Applicant declaration**☒ By making this development application, I declare that all information in this development application is true and correct☒ Where an email address is provided in Part 1 of this form, I consent to receive future electronic communications from the assessment manager and any referral agency for the development application where written information is required or permitted pursuant to sections 11 and 12 of the *Electronic Transactions Act 2001***Note:** It is unlawful to intentionally provide false or misleading information.**Privacy –** Personal information collected in this form will be used by the assessment manager and/or chosen assessment manager, any relevant referral agency and/or building certifier (including any professional advisers which may be engaged by those entities) while processing, assessing and deciding the development application. All information relating to this development application may be available for inspection and purchase, and/or published on the assessment manager's and/or referral agency's website. Personal information will not be disclosed for a purpose unrelated to the *Planning Act 2016*, *Planning Regulation 2017* and the *DA Rules* except where:

- such disclosure is in accordance with the provisions about public access to documents contained in the *Planning Act 2016* and the *Planning Regulation 2017*, and the access rules made under the *Planning Act 2016* and *Planning Regulation 2017*; or
- required by other legislation (including the *Right to Information Act 2009*); or
- otherwise required by law.

This information may be stored in relevant databases. The information collected will be retained as required by the *Public Records Act 2002*.

## PART 9 – FOR OFFICE USE ONLY

Date received:  Reference number(s):

### Notification of engagement of alternative assessment manager

|                                                         |  |

**Payment options**

Business partner account (BP)

Business partner name

Business partner number 4005841

Cash, cheque or credit card at any of Council's branch offices. For branch office locations and operating hours, please refer to Council's website [cityofgoldcoast.com.au](http://cityofgoldcoast.com.au).

Please be advised that payments by credit card will incur a surcharge.

Cheque or money order may be posted to Council's post office box address as above. Please ensure that you provide adequate reference details or attachments to allow the cheque to be appropriately receipted.

**Lodgement requirements**

(Please refer to Council's website: [cityofgoldcoast.com.au](http://cityofgoldcoast.com.au) for full lodgement requirements.)

**E-lodgement**

Please visit Council's 'Lodge a development application' webpage to lodge on-line via Council's SmartForm.

The attachments associated with your application, that is forms and plans can be uploaded using the SmartForm. If you choose to pay 'off-line', there are a number of different payment methods available to you.

**Lodging at Customer Service**

Please submit your application in one of the following formats:

- digital copy (PDF format)
- hard copy of all documentation

If submitting in PDF format, please section the PDF's as follows:

- application forms or E-lodgement is available
- supporting documents (planning report, code templates, site analysis and photographs)
- plans
- specialist reports (i.e. arborist report, engineering report, hydraulic report, stormwater management plans, etc)

**Operational works application requirements**

(Building and Construction Industry – portable long service leave Act 1991)

**Provide evidence of one of the following:**

payment of levy, or

payment of the first instalment of levy, or

an exemption from payment of levy, or

an exemption from immediate payment of levy
